

Sheldon is ...

...a surprise waiting for you at the end of a Devon lane

... a beautiful, secluded, peaceful environment with fields, woodlands, lovely views, and even an open-air theatre!

... a fine range of traditional farm buildings sensitively modernised to offer resources for groups of ten to fifty people

...attractive, accessible and affordable

... run by a Christian Community and open to people of any faith or none

Sheldon possibilities ...

... a place to spend time getting to know each other

...a place of open space and freedom

... a place for children to learn social skills, and experience being away from home

... a place to learn about self and God and others

... a place for private retreats and quiet space

... a place to learn

... a place to grow

... a place to be
