THE OSILIGI MAASAI WARRIOR DANCE TROUPE

7.30PM
SATURDAY 5TH JULY
AT SHELDON

For a performance
of their stunning
dance, music
and storytelling

The Maasai have always been wandering Nomads but Kenyan government policy now requires them to settle, often in areas of extreme drought. Their UK tours enable them to earn money to bring water to their village and for the education of their children, especially the girls. Their Christian faith is an inspiration and their performances are truly mesmerising...
