The Advent of eternity

We are on the brink of Advent and always on the brink of eternity. This retreat will explore the four great Advent themes of heaven, hell, death and judgement, asking whether these concepts have anything to say to us today as we look forward in anticipation to the coming of the kingdom of God.

Each of the days will begin with a reflection by me, a challenge for people to take away and a final session when we can gather our thoughts and prayers.

Silence will be held from the Monday evening session until the bar opens before supper on Thursday.

I will also be available throughout the retreat for individual prayer and the Sacrament of Reconciliation.

Everything is entirely optional. Come to what you want to.

If you want a 1:1 session with me, choose a slot from the list on Long Barn noticeboard.
